

MISSOURI DEPARTMENT OF HEALTH AND SENIOR SERVICES
SECTION FOR HEALTHY FAMILIES AND YOUTH
PERINATAL RISK ASSESSMENT FOR SUBSTANCE USE

CLIENT NAME	PROVIDER NAME	DATE
-------------	---------------	------

When a pregnant woman drinks, smokes or uses drugs, so does her baby. In order to help you have a healthy pregnancy and healthy baby, please answer the following questions honestly.

TOBACCO

1. Choose the statement that best describes your smoking status:
- A. I have NEVER smoked or have smoked less than 100 cigarettes in my lifetime.
 - B. I stopped smoking BEFORE I found out I was pregnant, and I am not smoking now.
 - C. I stopped smoking AFTER I found out I was pregnant, and I am not smoking now.
 - D. I smoke some now, but I have cut down on the number of cigarettes I smoke SINCE I found out I was pregnant.
 - E. I smoke regularly now, about the same as BEFORE I found out I was pregnant.

A referral should be offered to all women who chose answer D or E.

- Patient refused referral for smoking cessation.
- Referral was made on this patient for smoking cessation to:
